

Gymnasts Leaving the Gym Independently

Parents/Carers of gymnasts under 18 years of age must give consent for their child to leave the gym without an adult collecting them from their session.

We can only allow a gymnast to leave the gym independently once a form has been completed by the parent/ carer of a gymnast and received by the club.

Until we have this consent, gymnasts will not be allowed to leave the gym alone.

Please note:

- We are only able to grant permission for this where the child is of secondary school age.
- Parent/carer is giving permission for their child to leave the gym without an accompanying adult at the end of their training session once dismissed by their coach.
- Parent/carer understands and agrees that Rugby Gymnastics Club cannot take responsibility for their child once they have left the building.
- Parent/carer has duty of care for their child prior to and after their gymnastics session.
